

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 1519 - SB 1681

January 22, 2018

SUMMARY OF BILL: Requires the Coordinator of Elections to engage a cybersecurity firm to perform a study of the state's voter data system and produce a report detailing the risk to voter data posed by hacking. Requires the Coordinator of Elections, on or before January 1, 2019, to submit the report to the State Election Commission, the Senate State and Local Government Committee, and the House State Government Committee.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Exceeds \$50,000/One-Time

Assumptions:

- Based on information provided by the Secretary of State's office, the cost for conducting a cybersecurity study will depend upon the scope of the work being performed; however it is reasonably estimated to result in a one-time increase in state expenditures exceeding \$50,000.
- Submitting a copy of the report to the State Election Commission, the Senate State and Local Government Committee, and the House State Government Committee will not result in any significant fiscal impact to state government.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in blue ink that reads "Krista M. Lee".

Krista M. Lee, Executive Director
